ELEMENTS GLASSWARE BY SCHOLTEN & BAIJINGS FOR J. HILL'S STANDARD

by Ted Savage / April 11, 2014

Everyday crystal: *Elements Glassware by Scholten & Baijings for J. Hill's Standard* layers a library of custom cuts into an assemble-your-own collection of crystal glasses in a variety of patterns and all-purpose sizes - "whiskey to wine to water" - completed by a jug and decanter.

Designer: Amsterdam-based *Scholten & Baijings* is product designers Stefan Scholten and Carole Baijings, he trained at Design Academy Eindhoven, she, self-taught, working together since 2000.
